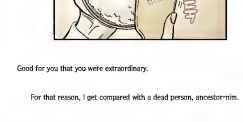
EH, UNNIE?.. DON'T BE SO MEAN TO TAEHEE. HE EVEN CAME HERE TO HELP US PREPARE THE FOOD.

*Unnie/언니 means older sister but is used by women to refer to any women older than you. Men use the word Nuna/누나 to say older sister

MOM, STOP SPANKING ME! I'VE TOLD YOU A HUNDRED TIMES THAT I'M NOT GOING TO MISUNDERSTAND...
AH I WRONG?
HEY, TURNING MIGHT COP HUSBAND ON HIS PHONE BEHIND HER TO CHECKING!
NO MATTER HOW MANY TIMES I SEE THIS, I'M THANKFUL.

WHAT ARE YOU TALKING ABOUT, UNNIE? TODAY'S BITES ARE FOR YOON JOSAN!
HE WAS A REALLY FAMOUS LEAD EXORCIST. IF HE HEARD WHAT YOU SAID HE MIGHT BE SAD EVEN THOUGH HE ONLY WORKED A SHORT TIME.
OF COURSE HE COMES OUT IN OUR HOUSE'S GENEALOGY AND EVEN IN OTHER HOUSES' ROOTS RECORDS. HE'S AN EXTRAORDINARY



Good for you that you were extraordinary.

For that reason, I get compared with a dead person, ancestor-nim.

I can't believe that I'm not getting compared to my mom's friend's son, but my dead ancestor.....

(There's a saying that your mom's friend's son is better than you in everything, studying, looks, personality, etc)

But...

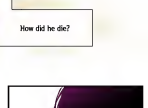
If you had great powers, why did you only work for such a short time?

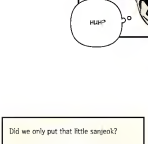
Even if I ask, there's no one to answer me.

How did he live?

And

How did he die?





Sanjeok. Korean style kebab.
